DIRECTORS

Director - Brittany Noltimier

Brittany, a dynamic artist and mentor, embodies a passion for theater, dance, and mentorship as the owner of CFPA. From her roots on the farm in North Dakota to training at the prestigious Oklahoma City University, Brittany's journey reflects her dedication to nurturing young talent. Beyond CFPA, she impacts aspiring performers nationally as a judge and master class teacher at prestigious competitions like FL Thespian State and Districts competitions, Talent on Parade Dance Competition, National Performing Arts Festival at Universal Orlando, and the GA and FL Theatre Conferences.

Brittany's commitment to mentorship extends from elementary to the collegiate level at Oklahoma City University, where she guides students toward career opportunities in the arts. Through her podcast, "Dance Colleges and Careers," she provides invaluable insights into the college admissions process and secrets behind getting into your dream school.

With credits including West Side Story, Magic Shows, and Corporate gigs, Brittany's stage experience includes roles at Walt Disney World, Universal Studios, Legoland FL, and Seaworld. She's dedicated to guiding young talents towards a fulfilling future onstage and beyond. [Youtube: @brittanynoltimier](https://www.youtube.com/@brittanynoltimier)

Associate Director - Laura Breece

Hailing from Canada by way of Indianapolis, she has been teaching dance, theatre, and fitness classes for almost four decades. Laura has choreographed and/or directed almost 70 full length productions, ranging from classic mainstage shows to new material being workshopped in NYC.

Laura went to Purdue University on a springboard diving scholarship, but retired when she discovered the dance studio. She graduated from Purdue University with a degree in Broadcast Journalism and worked in the newspaper business while coaching diving champions in Indianapolis. However, the call of the arts was loud, and she found herself back in the dance room. Teaching dance and raising three artsy kids led to setting school stage productions, community theatre, regional professional theatre, and champion school show choir. She believes strongly in the coaching/education process, creating a wholesome environment where kids are challenged, allowed to get sweaty, and learn new things about their capabilities. Life is hard and giving kids new coping mechanisms, interpersonal skills, and personal tools for success is vital. The arts do all of this. Thank you for your support!

Vocal Director - Delisa Dean

Kids, I hope all your performances go "swimmingly"!

Delisa is a graduate of the Juilliard School in New York City where she earned a degree in Voice Performance. She has sung with the American Opera Company of NY and the Los Angeles based Gilbert and Sullivan Repertory Company – "Opera a la Carte". Locally she has performed with the Bach Festival Choir of Winter Park, and the Messiah Choral Society.

Delisa was a member of the world-renowned Voices of Liberty at EPCOT from 1987 - 2020 and had the joy of being a teaching artist with Disney Performing Arts for 9 years, working with choirs from all over the country. For the past decade, Delisa has also been a judge for the prestigious National Performing Arts Festival held each year in Orlando.

She continues to teach private voice and do vocal coaching and is the creator of "HOW TO READ MUSIC IN 7 EASY LESSONS" Video Course - a great gift for any CFPA student hoping to build their musical and sight-reading skills!

AUDITION INFORMATION

Welcome to your CFPA auditions! Below is everything your child needs to be fully prepared. Please read carefully to ensure a smooth process for everyone.

HOW AUDITIONS WORK

- First Night: Dance audition and selection of acting sides.
- Scheduled Audition Day: Vocal and acting auditions by appointment.
- Casting Decisions: Announced during the second class.

AUDITION ATTIRE

Your child should wear "smart casual" attire, similar to church clothes. Girls can opt for dresses or skirts with nice tops, while boys should wear polo shirts, button-downs, or sweaters paired with khakis or dress pants. Please avoid jeans, shorts, sandals, or sneakers. Hair should be neatly styled and out of their face to ensure a polished look.

AUDITION PREP

On the first night of rehearsal, your child will learn a dance combination, which will serve as their dance audition. They will also receive their acting sides and be given the opportunity to choose roles they are interested in playing. Vocal and acting auditions will take place on a separate day by appointment.

Each child should be ready with a song and have two sticky notes or tabs in their script marking their chosen sides. All necessary instructions, including song and side details, will be covered during the first rehearsal and provided in a handout. If your child is unsure of what to do, they should be prepared to perform the recommended group song and side.

IMPORTANT INFO FOR PARENTS

We encourage you to trust that all necessary information will be thoroughly covered during rehearsal. If your child feels unsure, please guide them to review their handout and the instructions provided. This is a great opportunity for them to practice responsibility and self-preparation. For those looking to enhance their skills, we also recommend the "How to Read Music" course prior to auditions.

PRACTICE MATERIALS

HOW TO PRACTICE AT HOME...

Practicing at home is essential for young performers to improve faster, become more successful, and build confidence each week. Dedicating time to practice at home ensures that students come to class prepared and ready to excel. Here are some tips to make the most out of your at-home practice sessions:

Memorizing Lines:

1. Read and Repeat: Read the line before and memorize the following line. Repeat until you know your part.
2. Family Assistance: Have a family member read the lines before yours and then recite your lines back word for word.

Choreography:

1. Practice from Memory: First, practice your choreography from memory to see what you recall.
2. Refer to Videos: Then, watch the practice videos to check and perfect your movements.

Vocal Practice:

1. Use Guide Vocals: Listen to the uploaded guide vocals early to match pitch and learn the song.
2. Performance Tracks: Transition to using performance tracks to practice singing independently, developing your unique voice.

BY FOLLOWING THESE METHODS, STUDENTS CAN ENSURE THEY ARE WELL-PREPARED, CONFIDENT, AND READY TO SHINE DURING EACH PRACTICE SESSION.

WHERE TO FIND PRACTICE MATERIALS

GOOGLE CLASSROOM

Join the Classroom: Make sure both kids and parents join our Google Classroom.

Stay Organized: All practice materials are gathered here to keep you organized.

AUDITION DETAILS

We want you to know that at CFPA, everyone is a star! We're a non-audition group, which means all kids will get a special role. Auditions are still loads of fun – we teach the kids everything they need to know on the first night of rehearsal. They will audition using material from the show, and while it's not required, we highly encourage all students to attend the Audition class. It's a fantastic way to score those top roles and get a sneak peek at the audition info in advance.

AUDITION TIPS & TRICKS

How to Shine at Your Audition!

1. Be Confident: Show your best self!
2. Be Prepared: Know your material.
3. Have Fun: Enjoy the process!
